Food Safety Regulatory Training

If you operate or are planning to open a local food business, you know that food safety regulations can be confusing.

Help is here

Food Safety Regulatory Training is a new, 12-hour weekend course offered by Georgian College.

It has been created especially for small and growing local food businesses, including small farm food processors, producers selling at farmers' markets, caterers and restaurant operators.

SPECIAL LOW COURSE FEE FOR THESE WEEKENDS ONLY!

- > Nov. 22 23, 2014, Owen Sound campus
- > Jan. 24 25, 2015, Barrie campus
- > Mar. 7 8, 2015, South Georgian Bay campus
